A PART OF BIKING

Switzerland is a paradise for cyclists and mountain bikers. The APARTHOTEL Rotkreuz is located in the heart of Central Switzerland, directly on various Switzerland Mobility routes (www.schweizmobil.ch) and is therefore ideal as the starting point for round trips by bike or for a stop en route through Switzerland. Explore the prettiest parts of Central Switzerland by bike, roller blades or public transport in Canton Zug.

Various other sports activities are also available round and about Rotkreuz. Whether you want to work out in the gym at the «Reha-Zentrum» in the APARTHOTEL building, play golf, go cycling, jogging, climbing, swimming in the Lake of Zug or in the outdoor pool in Rotkreuz, there is something for everyone.

Further tips on entertainment, sports and excursions can be found on www.aparthotel-rotkreuz.ch (Leisure Time – A PART of well-being).
