APARTHOTEL – The business and design hotel between Zug and Lucerne

The APARTHOTEL Rotkreuz is a centrally located (between Zug and Lucerne), modern and innovative hotel with outstanding architecture and generously appointed rooms. Guests will feel at home in the chic but cosy atmosphere of the hotel's rooms, studio apartments and the loft suite.

The Restaurant APART serves local and international delicacies. In summer there is an array of tempting attractions: live music on the sun terrace; home-made ices and sorbets as well as the in-house beer garden – at the APART, there is something for everyone!

The hotel is located right next to the Rotkreuz railway station and perfectly accessible within a short time from Zug, Lucerne and Zurich. The next motorway exit/entrance is only within 700m distance.

The team of the APARTHOTEL is looking forward to welcoming you.
